

Weekly Email February 15, 2022

Thankfully, more have been able and willing to be back in worship. It is good to see each other again, even as we continue to be cautious and careful. Liturgy is still a little more relaxed and all are being sensitive to the needs and concerns of others. We are acting like a family of faith ought to act. We understand those who need to wait until they feel more safety in a gathering such as ours, as well as those who are ready and raring to move boldly ahead. Patience and love are the name of the game.

We are all missing everyone we are missing and look forward to the day when more can be here more often. All is good. We are being cautious and careful even as we live by faith and trust God's healing hand in this awkward moment of time. God's blessings and peace to all!

Tax Information: A potential tax savings opportunity exists for taxpayers who are older than age 70 ½. Consider gifting directly from your IRA to Zion Lutheran and/or your chosen charities. Gifts in this manner are not counted as taxable income to you. It may require asking for a check book for your IRA to make this easier or through an electronic transfer. This action lowers your taxable income and your income tax liability. We encourage you to discuss how to do this with your tax or financial advisor. Ask them about how to do qualified charitable donations (QCDs) beginning in 2022 and thereafter.
